

Title of the Open badge	Success criteria to be taken into account	
<p>Title: "integration"</p> <p>Description: Productivity in a different work culture. I'm able to understand a different working environment and to ensure productivity on a foreign site like any other employee. I can identify the similarities and differences between my own and foreign working techniques and understand the organisation of work sites. I'm able to appropriate all or part of another way of doing things to improve my skills. I am also able to share my knowledge when I consider it necessary. I am therefore fully integrated into the working context of a company abroad.</p>	<ul style="list-style-type: none"> • Able to understand a different work culture • Able to identify similarities and differences • Able and willing to share best practices of both work culture 	
<p>Title: "self-organisation"</p> <p>Description: Organisation in a different cultural context. I am able to organise my work and plan the tasks and activities assigned to me in a company abroad. I have managed to become more independent during my internship and to progress in the way I work. I am able to take initiatives either alone or in consultation when a situation requires or allows it.</p>	<ul style="list-style-type: none"> • Able to plan tasks • Able to gain autonomy • Able to take initiatives 	

<p>Title: "Intercultural communication"</p> <p>Description: Ability to communicate in a foreign work/cultural context. I have mastered most of the vocabulary needed to communicate verbally with others (customers, suppliers, employees, supervisors, etc.) and to make myself understood in the workplace. I understand the instructions or directives given to me. If necessary, I ask questions to make sure I understand. I have learned many words and expressions and I use the vocabulary related to my job fluently. More generally, I am at ease discussing everyday life in a foreign country.</p>	<ul style="list-style-type: none"> • Able to understand directions/ instructions/ rules • Able to use appropriate vocabulary • Able to express oneself in an efficient way and be understood 	
<p>Title: Adaptability</p> <p>Description: Capacity of adaptation. When I am in doubt or not sure I understand, I know how to ask/search for clarifications. I am able to consult brochures, posters, websites or ask people to collect the information I need. If I lack vocabulary or have difficulty making myself understood, I can use an automatic translator or other practical resources. I am therefore able to adapt to a new environment professionally and personally</p>	<ul style="list-style-type: none"> • Able to ask questions • Able to collect information about the new environment • Able to mobilise resources 	
<p>Title: "safety at work"</p> <p>Description: Ability to follow rules to be able to adapt an appropriate behaviour. I learn about safety rules specific to my activity and the workplace I work in. I take care to work ergonomically to avoid unnecessary fatigue or injury. I respect the hygiene and prevention measures imposed by the activity and the company's regulations. I find out if there are any peculiarities or differences compared to my habits. I am therefore able to carry out my work safely and with due regard for my health, the health of others and my environment.</p>	<ul style="list-style-type: none"> • Able to work safely and to follow local safety rules • Able to work ergonomically • Able to work in a hygienic way 	

<p>Title: eco-responsible attitude</p> <p>Description: Ability to adopt an eco-responsible attitude. Whenever possible, I use a less polluting mean of transport. In my daily life and at work, I try to reduce my waste production and use as little paper as possible. I try as much as possible to participate in the recycling of materials and the protection of the environment and I avoid over-consumption. I try to perceive the social rules implicit in the host country or company.</p>	<ul style="list-style-type: none"> • Use less emissive transport • <i>Able to recycle, reduce and re-use, paperless ...)</i> • <i>Adapt to the implicit social rules</i> 	
<p>Title: "Professional behaviour"</p> <p>Description: Ability to adopt a professional behaviour. In the workplace, I respect my colleagues, my superiors and anyone else I may interact with. I apply the basic rules of politeness and, if necessary, I find out about local peculiarities to be used. I am punctual and adaptable to the timetable and rhythm of work abroad. I am therefore able to behave as professionally as possible in a company.</p>	<ul style="list-style-type: none"> • Punctuality • Respectfulness • Politeness 	
<p>Title: "Problem solving"</p> <p>Description: Ability to overcome problems. When a problem occurs, I try to identify the causes and analyse the situation. I can propose one or more solutions if it is not too complex. If not, I know how to stop my activity and ask for the necessary help around me (colleagues, superior). I am therefore able to react in case of a problem, either by solving it myself or by asking the appropriate people.</p>	<ul style="list-style-type: none"> • Able to identify the problem • Able to analyse the situation and propose an adequate solution • Able to mobilise right resources (person, document) if necessary
